Coated Pipe – It's what
makes Premier Polysteel
the #1 Choice

The most durable product you will ever purchase.

From start to finish, Premier Polysteel outdoor furniture is made with the highest quality materials available. Products are made of *completely* plastisol coated steel for durability and strength - *including the legs*.

Premier Polysteel outdoor furniture is the ideal solution for all locations. Everything is 100% coated with UV stable, mildew resistant plastisol which protects from natural elements and chemicals. The surface doesn't get hot and is comfortable to the touch. Pipe has no holes to allow access by bees or other insects.
