

# DURA TRAC® TRUSS WELDED ROD

NEW! 5' Width  
Truss Floor

## Key Benefits

- Now also in 5' widths! Fewer pieces to install!
- Quick and simple to install for easy remodeling
- Completely plastisol coated to conserve pig's body temperature and reduce stress caused by cuts and bruises
- Strong enough to span pits up to 10 feet wide without additional support

Available in widths of 30 and 60 inches.  
Custom lengths available.  
Supports pigs up to 60 pounds each.

No stress here,  
right guys?
